

COVID-19 TRAVEL INFORMATION

Turkey

(Updated August 2022)

TRAVEL AND IMMIGRATION RESTRICTIONS

Several countries have imposed travel and immigration restrictions due to COVID-19. This is a dynamic situation and it is the responsibility of the customer to check all relevant travel advisories to and from the countries they are visiting and transiting through. Always check travel restrictions for each part of your trip; this includes layovers for connecting flights, as well as entry requirements for your return back to the US. Please note that the information provided in this addendum is based on the time of print/publication and a country's requirements can change at any time. It is the responsibility of the traveler to check all updates and obtain all necessary documents and tests prior to departure, as well as entry back into the US. Ritz Tours is not responsible if you are denied entrance for any reason in any country, even if you hold a valid passport and entry visa. **Non-U.S. Passport holders** - please check with your local embassy or consulate for detailed visa and travel document/entry requirements. If you need clarification on whether you may enter Turkey, contact the closest Turkish Embassy or consulate, as well as your airline prior to travel. The US Embassy in Istanbul cannot give you permission to enter Turkey or request exceptions to Turkey or EU travel restrictions.

All travelers must ensure they are eligible to enter Turkey and produce all required entry documentation for this vacation. Requirements and restrictions may depend on different factors including but not limited to: your country of residence, passport nationality, transit points, as well as previous travel history.

It is advised to pack any prescription medicine in your carry-on hand luggage. Please make sure prescription medicine is fully labeled. It may also be useful to bring aspirin, over-the-counter medicine for the flu, indigestion, motion sickness, etc. In case of illness during the trip, please immediately notify your tour guide for assistance.
