

COVID-19 TRAVEL INFORMATION

Greece

(Updated June 2022)

TRAVEL AND IMMIGRATION RESTRICTIONS

Several countries have imposed travel and immigration restrictions due to COVID-19. All customers are required to check relevant travel advisories to and from the countries to which they are traveling. This is a dynamic situation and it is the responsibility of the customer to ensure there are no entry restrictions at their travel destination. Always check travel restrictions for each part of your trip; this includes layovers for connecting flights, as well as entry requirements for your return back to the US. Please note that the information provided in this addendum is based on the time of print and a country's requirements can change rapidly at any time. It is the responsibility of the traveler to check all updates and obtain all necessary documents and tests prior to departure, as well as entry back into the US. Ritz Tours is not responsible if you are denied entrance for any reason in any country, even if you hold a valid passport and entry visa. Non U.S. Passport holders - please check with your local embassy or consulate for detailed visa and travel document/entry requirements.

If you need clarification on whether you may enter Greece, contact the closest Greek Embassy or consulate, as well as your airline prior to travel. The US Embassy in Athens cannot give you permission to enter Greece or request exceptions to Greece or EU travel restrictions.

Guests will stay in seclusion hotels for at least 10 days. Travelers should be prepared to cover all expenses of their quarantine period, which might be prolonged if the symptoms persist. FERRY SERVICE DISRUPTION

Please note, in circumstances which may be beyond our control, ferry services between islands may be interrupted or cancelled due to reasons such as, inclement weather, acts of God, a strike, or other unforeseen hazardous conditions. If the ferry services will not operate as scheduled, our ground agents in Greece will make reasonable efforts to assist you; this includes but is not limited to varying itineraries or substituting sightseeing excursions. In some cases, we may have to rearrange your itinerary to accommodate the revised ferry schedule and in other cases you will be given the option to pay the difference for a flight to the island; alternatively you may also purchase your own flight should you wish to. In other rare cases it may not be possible to access the island at all. Please note, the options listed are for reference only and will vary based on the circumstances at the time of the event. Our ground agents in Greece will determine the best alternative options for the group and inform you of the itinerary changes

and/or alternate transportation options at the time of the event. Please note, any unused tour costs will not be refunded, and any additional expenses incurred will not be reimbursed by Ritz Tours. Prior to your travels, we highly recommend purchasing adequate travel insurance.

CURRENCY

Greece uses the Euro as its national currency. As of June 2021, the exchange rate is \$1 U.S dollar to 0.82 Euro. We suggest you bring a combination of cash and credit cards for your trip. Most department stores, hotels and restaurants will accept major credit cards such as American Express, Visa, and MasterCard. However it is more convenient to use cash especially if you are planning to shop and eat in smaller shops. Please always keep your currency exchange receipts as you may need to present these when changing EUR back to your own currency at the end of your trip. All travelers entering or leaving the EU with a sum equal to or exceeding 10,000 Euros must declare the amount in writing to Customs without being individually requested to do so.

TIPPING

An important note on tipping - please note gratuities are not included in your tour cost (except Aegean cruise portions). They are customary and their purpose is to encourage and reward quality service. Our guides and drivers greatly appreciate any tips you would like to give them. As you will have different guides and drivers in each city, we have provided a breakdown for the suggested tip amount (in Euro) by city, guide and driver.

- **Tour leader** €7 per person /per night
- **Long Distance coach driver** € 3 per person/per night
- **Local guide** €1 per person per half day or €2 per person per full day
- **Local driver** €1 per person per half day or €2 per person per full day

HEALTH & MEDICAL MATTERS

- Medical and vaccination requirements vary between countries and it is important you check with your family doctor or a qualified medical professional for the most up to date travel health information for the region you are visiting.
**Additional documents and/or PCR tests may be required due to COVID-19. It is the responsibility of the traveler to check relevant travel advisories and/or restrictions and to obtain all necessary documents and tests prior to departure, as well as entry back into the U.S. Ritz Tours is not responsible if you are denied entrance for any reason in any country, even if you hold a valid passport and entry visa.*
- Guests must ensure they are physically and medically able to travel; the majority of our tours incorporate active elements such as walking to and from buses and vessels, walking long distances, and sightseeing; you are responsible for familiarizing yourself with the level of activity that will be involved in your guided Tour. Please consult your physician regarding your medical condition and ability to travel long distances.
- It is advisable to pack any prescription medicine in your carry-on luggage. Please ensure prescription medicine is fully labelled. It may also be useful to bring aspirin, over-the-counter medicine for the flu, indigestion, motion sickness, etc. In case of illness during the trip, please immediately notify your tour guide for assistance.

CLIMATE & CLOTHING:

Greece generally has a typical Mediterranean climate – the country traditionally experiences hot summers and rainy and cold winters but overall enjoys a good amount of sunshine all year long.

- It is suggested to bring comfortable, casual clothing, and a swimsuit; a comfortable pair of walking shoes and sunglasses are essential, light hats advisable.
- Be prepared for many steps, uneven pavement and walking up steep inclines (especially in Santorini, Mykonos and Crete; as well as Athens’ historic sites) – comfortable walking shoes with grip are strongly recommended.
- If you are visiting Greece in the summer, choose lightweight clothes for its balmy weather – natural fabrics such as linens and cottons are highly recommended. While the Greek islands are hot during the day, they can get cooler in the evenings so a light sweater or jacket is recommended. Winter months can be quite cold so normal winter wear is suggested.
- Check www.weather.com for more detailed weather conditions closer to your departure date.
- It is not necessary to bring formal clothing however modest attire is always welcome.
